Education

Chouaib Doukkali University

Ph.D Student in Computer Science — 2019-2023(Expected)

Cadi Ayyad University

Master Degree in Computer Science. — Jan. 2007 - Feb. 2009

Licence Degree in Computer Science. — Sep. 2002 – Jul. 2006

Research Interests

- Social Network Analysis
- Data Mining
- Graph Mining
- Community Detection
- Deep Learning
- Complex Networks

Publications

[1]. "**Community detection in Social Networks: A state of the art**", The International Conference on Mathematics & Data Science (ICMDS'20), *June 29-30, 2020. Khouribga, Morocco*.

[2]. "**ARL Clustering method for community detection, applied to user's friendship of Online Social Networks**", The 7th International Conference on Multimedia Computing and Systems, *October 1-3, 2020. Tetouan, Morocco*.

[3]. "**A novel approach of community detection using Association Rules Learning : Application to user's friendships of Online Social Networks**",

- The Fifth International Conference on Smart City Applications (SCA'20), *October 7-9, 2020, Safranbolu, Turkey.*
- Book chapter "Innovations in Smart Cities Applications Volume 4", published in "Lecture Notes in Networks and Systems" by Springer Publisher (Indexed by SCOPUS).

[4]. "**A k-mean classification study of eight community detection algorithms: Application to synthetic social network datasets**",

- Book Chapter "AI and IoT for Sustainable Development in Emerging Countries " to be published in "Lecture Notes on Data Engineering and Communications Technologies " by Springer Publisher (Indexed SCOPUS).

Academic Services

- **Program Committee**
  - **Technical Program Chair du workshop International MACNA 2022**. The first International Workshop on Modeling and Analysis of Complex Networks with Applications, in collaboration with the conference on Future Networks and Communication. *August 9th, 10th and 11th 2022 Niagara Falls, Ontario - Canada.*
